

Firstly, I would like to thank all the teachers and non-teaching staff for all that they have done for us. One of them who has impacted me positively is Ms Ng Bih Huey, my Primary 1 and 2 English Teacher. She is a very engaging teacher who has always made lessons fun. She has helped us to develop interest in English, the subject I dislike at the start of Primary 1. Another teacher who has impacted me greatly is Mdm Yan Yuzhen, my Primary 5 and 6 Higher Chinese teacher. She is a patient and encouraging teacher who has motivated me to study hard for PSLE.
