

I would like to express my heartfelt gratitude to Mee Toh School for this award. To me, this award not only marks my achievement but also a recognition to the dedicated work the teachers had put in and the support from my family and friends. However, there is one teacher whom I would like to dedicate this award and she is none other than Mdm Ong Su Lan.

Mdm Ong was my P1 & P2 mother tongue teacher who believed in my ability and told me that she would want to see me achieve this award. Throughout the years, I had never once forgotten her words and now I can proudly tell her, 王老师，我做到了！
