

My greatest achievement in my primary school journey is being a Heritage Ambassador. I am extremely grateful to 魏老师, 张老师 and Ms Ng for their hard work and effort for the past 3 years. They have guided me to overcome my fear of public speaking. Isabelle, Joey, Nexus, Klemens, Yuu Weh and Royston have accompanied me through this journey as well. They brought me wonderful memories. Without them, I would be alone in this battlefield. Credits to them! I have never thought that the Heritage Centre is a place for training which held all our wonderful memories. I am sincerely grateful to everyone.
