

My family is priceless. If it weren't for their guidance, I am not sure if I would be able to receive this award. I feel fortunate to have my family in my life.

I would like to thank my Form Teachers who nominated me as a class monitor and trusted me to lead the class. The journey of being a class leader is not easy, being new to the school and class. However, I am truly lucky to have teachers who are caring, understanding, and patient with me.

I appreciate the positive influence from all my classmates during these 2 years with them.

Thank you for all your guidance and advice! I'll be forever grateful.
